

Bavarian Graduate School of
Computational Engineering

FRIEDRICH-ALEXANDER
UNIVERSITÄT
ERLANGEN-NÜRNBERG

Block Seminar

BGCE Research Day

Programme for the Research Day on Dec 12, 2019, 14:15 - 19:15

Location: Seminar room: 5530.EG.003, TUM Graduate School building, Boltzmannstr. 17, Garching (cf. map on 2nd page).

Arrival

13:45 Arrival of our guests from CE/Erlangen and come.tum/München

Presentations

14:15 Hans-Joachim Bungartz: *Address of welcome and announcements*

14:30 come/München: *Work in Progress*

- Mengjie Zhao: *Building a reduced-order model for CFD applications*
- Wanchang Zhang: *Origami inspired meta-structure*

15:00 Christian Mendl (SCCS, TUM): *Quantum Computing*

16:00 Coffee Break

16:30 CE: *Pro & Con: A four-day work week: Impractical or can it boost productivity?*

17:15 Shubham Khatri: *A Walk Through the Methodologies of Machine Learning*

Get-together

~18:15 Pizza

Announcements

- o Next Research Day: 06.06.19 (Erlangen)
- o ATTENTION: The main door of the LRZ building closes automatically at 18:00.

Seminar room: 5530.EG.003, TUM Graduate School building, Boltzmannstr. 17, Garching (ground floor left)

How to get there:
